### SANCTUARY

The sanctuary cats and their caregiver would like to express a special thank you to a few employees from **Eli Lilly Canada Inc.** who visited us again this year. These hard-working volunteers, organized by **Barb Pedder of Eli Lilly Canada Inc.**, came to the sanctuary early in the morning on October 7<sup>th</sup>, armed with scrub pails and cleaning solutions and spent the morning cleaning areas of the sanctuary that our caregiver never has the time to reach.

Our summer visitors, four young goats from the Burke farm, had a good munchy time at the sanctuary. By diligently eating anything put in their path, they kept the outdoor enclosures nicely cut and in so doing just about doubled their size and weight. They especially liked the

### COMMUNITY SERVICE

Many of you will remember the article about the 16 kittens and two mothers dropped off at Second Chance which appeared in the News Advertiser in August. We are happy to report that (with the exception of one kitten and mother cat) all kittens have been adopted.

Our most recent drop off came during the PetSmart Adoptathon weekend when many of our volunteers were working very hard to find homes for some of our cats. A lady arrived at

the sanctuary with two cats and while the caregiver of the house cats was on the phone checking about the possibility of accepting the cats, the lady left but **LEFT** the carriers containing the cats.

Recently when a volunteer arrived at the sanctuary in the evening she found a carrying case containing a cat outside the sanctuary door. This cat had a note giving his name (*Gus*) and the only other information was that the owners could no longer care for him. In case Gus' owners read this newsletter, you should know that Gus is not eating very well and is very thin.

If people **MUST** drop off their cats, it would be very beneficial to provide the name, age, date of last vaccines and identify any health problem.

As mentioned in our previous newsletters, **SPCA is now operating a low-cost spay and neuter clinic in Newmarket. The spay or neuter fee is \$50 for cats and vaccines are \$10 each. Female dogs are \$80 and males are \$60. For more information,** please visit the web site [www.ontariospca.ca](http://www.ontariospca.ca).

Although we no longer provide care for wildlife, we still provide assistance to people in need of help with wild animals by providing contact information of other rescue organizations.

## REMEMBERING .....

### GEMMA

Gemma was born at the sanctuary in 2007 and was very close to her mother Amelia. Gemma developed a cyst on her forehead which the vet lanced. Several weeks after that, an evening volunteer arrived at the sanctuary and found

Gemma collapsed in her litter box. Gemma was taken to Emergency where we were told that she had lost her sense of balance and could not see. Following the vet's recommendation, Gemma was euthanized.

### STEVIE

Stevie was an older cat who had been at the sanctuary for many years. Stevie had very poor eyesight but managed to fit into sanctuary life. Recently Stevie began losing weight and his interest in eating declined. A vet visit indicated that Stevie had a number of tumors in his stomach and euthanization was recommended.

## 📣 **THANK YOU**

Second Chance gratefully acknowledges current and past assistance received from the following organizations as well as all those individuals too numerous to list but without whose generous support the Sanctuary could not continue.

Help prevent the increase in domestic animal population - **PLEASE SPAY OR NEUTER YOUR PET!**

Hill's® Science Diet®  
 "Second Chance for Love" shelter program has  
 partnered with us and is donating pet food for  
 all cats and kittens being cared for here.

Eden Conservation Trust

The Beatrice Watson-  
 Acheson Foundation

The Sanctuary would like to express a special thank you to **Precious Pets** whose expertise in grooming is welcomed by our felines. When our cats return from a visit to Precious Pets, it's obvious how much better they feel after having received a thorough combing or the "lion cut"!

A special "**thank you**" to our volunteers, without whom the Sanctuary would not be able to function – each one of you plays an important part – whether it is cleaning cages, feeding cats or driving cats to the vet. The animals appreciate you and look forward to your continued support in the coming year.

## DONATIONS

**Do you know that 100% of every donation goes directly to sanctuary activities. SCWS Directors are not paid. There are no paid staff other than those who directly handle and care for the animals. SCWS does not pay fundraisers. SCWS does not make investments or lend money.**

**Donations to SCWS are used to cover the cost of food, veterinary bills (which usually total several thousand dollars monthly), administrative expenses (e.g. telephone bills, cable, bank charges, mailing costs), and expenses associated with keeping the buildings operating. When you donate to SCWS, your money goes directly to the welfare and care of the animals. It is spent carefully and responsibly just as you would want it to be.**

**If you are already a donor, please consider increasing your donation; if not, please consider becoming a donor.**

It is now possible to make donations to the Sanctuary securely online through CanadaHelps.org - simply access the Second Chance web site and follow the instructions.

It is also possible to make donations to Second Chance through the United Way via your employer. All you need do is establish the amount to be passed on to Second Chance.

A donation to benefit one of our special needs cats can be made to the "**Amber**" fund. As mentioned in our previous newsletters, Amber would have been blind (due to ulcers rupturing in her eyes) if we had not decided to have the surgery on her remaining eye. The "**Amber**" fund will cover care/operations for cats who require special treatments.
